The Philippine Stock Exchange, Inc. (PSE) received information that an unauthorized investment solicitation supposedly from the PSE that was disseminated in late 2017 to early 2018 is being circulated again in social media groups.

The unauthorized investment solicitation comes in the form of a fake letter using the old PSE logo and is addressed to former employees of the Exchange’s Disclosure Department. A copy of the said letter is attached to this advisory.

The letter invites investors, traders, and entrepreneurs to invest in “Starters and Small Business Units”. The amount solicited is Php2,500.00 and guarantees returns of Php1,000.00 a week for four months. The unscrupulous individuals behind this scheme claim that the investments will be for Jollibee Shares Pte. Ltd., which is supposedly registered with the Department of Trade and Industry (DTI) under the business name JFC Shares Pte. Ltd. DTI has certified that there is no business registered under the name JFC Shares Pte. Ltd.

For the information of the public, no such letter was issued by the PSE nor does it solicit investments from individuals.

We would like to remind the public that all stock market transactions should be coursed through PSE-accredited trading participants or stockbrokerage firms.

All legitimate PSE memorandum or circulars for Trading Participants, Listed Companies and the Investing Public are posted on the PSE website (www.pse.com.ph). The validity of any communication represented to be emanating from PSE may also be verified with the Exchange.

We encourage the public to inform the PSE if they have been shown these fake letters or have reason to believe that they are being defrauded with potential stock market investment scams.

To report any suspected unofficial and illegal use of PSE’s name and logo or to verify claims and report possible fraudulent acts, please call 876-4888 or send an e-mail to investing@pse.com.ph.
